

INTERFACE-SAMARITAN COUNSELING CENTERS

LICENSED MENTAL HEALTH PRACTITIONER

Interface-Samaritan Counseling Centers (ISCC) is accepting applications for full and part time clinical staff members from fully and provisionally licensed mental health practitioners. This faith-based agency has delivered, for more than 37 years, a broad range of therapeutic services. Currently we provide counseling, training, psycho-educational presentations, and consultation in five locations.

Both medical insurance and professional liability insurance are the responsibility of employees at ISCC. Clinical supervision for provisionally licensed staff is the responsibility of the intern/resident.

Developing opportunities to deliver services is a responsibility shared by administrative and clinical staff members.

Electronic insurance filing, billing, and other administrative support services are provided by the agency.

Agency provides clinical case consultation with consulting psychiatrists as a benefit to licensed therapists and interns/residents.

Successful applicants demonstrate many of the following skills, interests, values, and preferences:

- ❖ Competent work with children or adolescents as well as adults
- ❖ Interest in incorporating a client's faith perspective (upon client request) into clinical work
- ❖ Regional sources of referrals
- ❖ Provider status on managed care and employee assistance panels
- ❖ Preference to participate as a member of a team and ability to attend monthly daytime staff meetings
- ❖ Psychological testing
- ❖ Mission-based marketing
- ❖ Group psychotherapy and or psycho-educational seminar facilitation

If you are qualified and motivated to join our team of experienced practitioners and administrators, please send your letter of interest, contact information (with preferred times for telephone contact), resume and references to:
